

North Valley Academy's Spring 2015 Book Fair is Coming Soon!

Please join us to get some great new books to stock your home library for the summer and help support NVA's library and teachers!

WHEN: April 13, 14, 15, 16, and 17

WHERE: NVA Center for the Arts

Why come to the Book Fair?

Everybody wins when you shop at our Book Fair! Your family gets awesome new books for your home library, and your purchases help support programs at our school. These include books and materials for NVA's library, your child's teacher, and the PTO.

Be sure and visit the Book Fair after your parent-teacher conference to enter for a chance to win a Book Fair gift certificate. Also, don't forget to participate in the Spring Reading Challenge. (See the Thursday folder to print out a reading log)

The Book Fair is also online at <http://bookfairs.scholastic.com/homepage/nvanm>. There you can view our hours of operation, check out some of the books that will be at the Book Fair, download the Book Fair app for your smartphone, and.... SHOP! Out-of-town family and friends can buy books for your child and they are shipped right to our school. And, if there are books you want that are not at the Book Fair, you can also buy online. All orders ship free to the school!

We really need your help! To volunteer at the Book Fair, please visit this website:
