THURSDAY FOLDER – NVA WEEKLY COMMUNICATION

Well, early spring is upon us. There are so many exciting things happening at NVA. We are teaching, preparing, planning for, and caring for, KIDS! This Thursday, please find your Letter of Intent to Return. We must collect 100% of these before we begin our lottery draws next month. Please indicate your intent and return to your child's teacher. If you mark that you will not be returning, your place(s) will be forfeited. Thank you.

Just a reminder –

- **Jump Party** for the American Heart Association – Friday, Feb 13. All wear **pink** or **red**!
- **Class & Club photos will be taken on February 18th. School uniforms to be worn.**
- **We have revived Coffee with Admin – the next session will be Friday, February 27, at 8:00 am.** Come join us...in the teacher's lounge.
- Incidentally, it would be very helpful if you marked these dates on your calendars (3rd thru 8th grade) and tried *not* to schedule appointments, vacations, lunch dates, etc. for students. Our testing attendance is part of our state grade, and it is also information that will be helpful to you in terms of your child's academic progress. **March 2,3,4,5,9,10,11,12, and 17.**
- **Box-tops collection and contest ends February 20.** Turn 'em in...
- **8th grade Parents** – there is a **School Choice Fair** being held **TONIGHT** at the Convention Center. A great, one-stop shop to see what is available in the way of Charter High School programs. 5-8 p.m.
- **Family Sweetheart Dance** – sponsored by honor societies. Friday, February 13. Plan your Valentine's date now. All students welcome, however must be chaperoned by parent(s). So, no middle school students unless their parents are with them... **6-8 p.m.**

Myths in the Media – Take some time to educate yourself regarding the education bills in the legislature. There are quite a few, some of which have a direct impact on Charter schools. We continue to work toward our instructional goals and the development of most effective teachers. Thank you for your support.

Some important pieces of information. It might seem small, but in the grand scheme of what we do these things are very important.

1. Please do not send food from home that needs to be heated. It is impossible for us to accommodate students that want to microwave their lunch. Hot meals are served everyday in the cafeteria and those meals are created with health standards in mind (not minimal standards either). If you choose not to partake – that is fine, but we cannot heat up lunches for students. Thank you for your consideration.
2. If your child attends the Raymond G community center they are to report to the Center for the Arts immediately upon release. They will not be permitted to go to the Sports Grill for snacks. We cannot keep track of all of them. It is unnecessary. Pack a snack, or they can wait until they get home please.

Remember – your child's development, education and best interest are what drives our passion for the job we do each day. We are on the same team!

If you have questions, concerns, ideas, or kudos, please feel free to contact any of us.
